

## **Kearney & Company Named a Top Entry Level Employer by CollegeGrad.com**

**Alexandria, VA - April 12th, 2016** - Kearney & Company, P.C. (Kearney) was recently named a Top Entry Level Employer by CollegeGrad.com. In a press release published last week, CollegeGrad highlighted the hiring plans of employers across the nation with its Top Entry Level Employers listing. Kearney's inclusion in the list demonstrates its commitment to hiring and developing entry-level candidates.

Established in 1985, Kearney is an independent Certified Public Accounting (CPA) firm that serves the public sector exclusively. Ranked in the Top 50 of the thousands CPA firms throughout the United States, Kearney is also among the Top 5 firms providing auditing and accounting services to the Federal Government. More than 600 professionals have provided professional financial services to every Cabinet-level Department, as well as many major independent agencies.

CollegeGrad has been conducting Top Employers surveys for more than 15 years as a way to recognize employers who hire large numbers of college students (Top Intern Employers), college graduates (Top Entry Level Employers) and Master's graduates (Top Master's Employers). For its Entry Level ranking, CollegeGrad included permanent, salaried positions requiring a college degree and internship experience of a year or less. Hourly, independent, or positions where pay is commission only were not included. A complete list of the Top Entry Level Employers can be viewed at <https://collegegrad.com/topemployers>.
