

KEARNEY & COMPANY

EXTERNSHIP PROGRAM

Kearney & Company's 2026 Externship Program offers a dynamic experience that includes firsthand exposure to a "day in the life" of Kearney team members who work hand-in-hand with Federal clients. Students will have the opportunity to enhance their résumés, build a larger professional network, and much more. This two-day Externship Program will be hosted in a hybrid work environment based in Alexandria, Virginia. Externs who are local to our headquarters in Alexandria will have the option to attend in person, while a remote option will be available for those who are not local. The Externship Program will ultimately provide students the chance to expand their professional network for their future careers.
